

NEED HOUSING ASSISTANCE?

Before

After

- Replacement of nonworking furnace
- Updating electrical
- Installation of septic system or well
- Ramps and other accessibility improvements
- Replacement of hot water heaters
- Plumbing updates
- Roof repairs or replacements
- Water and sewer hookups

The City of Sidney and Shelby County have funding available for income qualifying owner-occupied households in need of repairs that pose a threat to the health and safety of the occupants. Funding is limited.

For more information about the **Community Housing Impact & Preservation CHIP Program**, or to request an application, please contact: City of Sidney Community Services at 937-498-8131 (inside city limits). If you live in Shelby County outside city limits, contact: Shelby County Regional Planning at 937-498-7273. Or, contact the CHIP consultant, Poggemeyer Design Group, directly at 1-877-836-3206.
