Pleadings and other papers may be filed with the Juvenile Court Clerk's Office by facsimile transmission to (937) 498-7260 subject to the following conditions:

APPLICABILITY

These rules apply to proceedings in the Shelby County Juvenile Court.

ORIGINAL FILING

- A. A document filed by fax shall be accepted as the effective original filing. The person making a fax filing need not file any source document with the Juvenile Court Clerk's Office but must, however, maintain in his or her records and have available for production on request by the Court the source document filed by fax, with original signatures as otherwise required under the applicable rules, together with the source copy of the facsimile cover sheet used for the subject filing.
- B. The source document filed by fax shall be maintained by the person making the filing until the case is closed and all opportunities for post judgment relief are exhausted.

DEFINITIONS

As used in these rules, unless the context requires otherwise:

- A. A "facsimile transmission" means the transmission of a course document by a facsimile machine that encodes a document into optical or electrical signals, transmits and reconstructs the signals to print a duplicate of the source document at the receiving end.
- B. A "facsimile machine" means a machine that can send and receive a facsimile transmission.
- C. "Fax" is an abbreviation for "facsimile" and refers, as indicated by the context, to facsimile transmission or to a document so transmitted.

COVER PAGE

A. The person filing a document by fax shall also provide therewith a cover page containing the following information:

- (I) the name of the court;
- (II) the title of the case;
- (III) the case number;
- (IV) the title of the document being filed; (e.g. Defendant Jones' Answer To Amended Complaint; Plaintiff Smith's Response to Defendant's Motion)
- (V) the date of transmission;
- (VI) the transmitting fax number;
- (VII) an indication of the number of pages included in the transmission, including the cover page;
- (VIII) if a judge or case number has not been assigned, state that fact on the cover page;

- (II) send a faxed notice to the sending party of failed fax filing.

SIGNATURE

A. A party who wishes to file a signed source document by fax shall either:

EXHIBITS

A. Each exhibit to a facsimile produced document that cannot be accurately transmitted via facsimile transmission for any reason must be replaced by an insert page describing the exhibit and why it is missing. Unless the Court otherwise orders, the missing exhibit shall be filed with the Court, as a separate document, not later than five (5) court days following the filing of the facsimile document. Failure to file the missing

exhibits as required by this paragraph may result in the Court striking the document and/or exhibit.

B. Any exhibit filed in this manner shall be attached to a cover sheet containing the caption of the case which sets forth the name of the court, title of the case, the case number, name of the judge and the title of the exhibit being filed, and shall be signed and served in conformance with the rules governing the signing and service of pleadings in this Court.

TIME OF FILING

A. Subject to the provisions of these rules, all documents sent by fax and accepted by the Clerk shall be considered filed with the Clerk's Office as of the date and time the Clerk time-stamps the document received, as opposed to the date and time of the fax transmission. However, the fax machine will be available to receive facsimile transmission of documents on the basis of 24 hours per day, seven days per week including holidays.

B. The Clerk's Office may, but need not, acknowledge receipt of a facsimile transmission.

All exhibits offered for admission during a hearing or trial shall be labeled by party name and item identification. Notice

Stay of Proceedings

Upon the filing of a motion for a determination regarding a child's competency or the court's own motion, the court shall stay all delinquency proceedings pending a determination of competency. 31 Court Records Management and Retention

Pursuant to the Rules of Superintendence for the Courts of Ohio, the Court hereby adopts Rules 26, 26.01 and 26.03 with the following exception:

Delinquency records. Delinquency records shall be retained until the child attains the age of 21 years or two years after the final order of the Juvenile Division or one year after the issuance of an audit report by the auditor of the State, whichever is later.

Juror Information. Juror information and documents as anticipated by the Ohio Trial Court Jury Use and Management Standards received (by the Court) in proceedings in the Court's docket shall be retained for two years from the date the jury was discharged by the Court.

32 Case Management Plan

Purpose. The purpose of this rule is to ensure the readiness of all cases in the Juvenile Division of the Common Pleas Court for pretrial, final pretrial and trial.

- A. All actions in the Juvenile Court except traffic actions.
- (1) A pretrial conference shall be conducted in all actions where the issues are contested prior to being scheduled for trial.
 - (2) Notice of the pretrial conference shall be given to all counsel of record by mail and/or telephone by the Court not less than seven (7) days prior to the conference. Any application for a continuance of the conference shall be in writing and filed with the Court in a timely manner. In the event that the pretrial conference results in a change of plea in a juvenile matter, thereby eliminating the need for an adjudicatory hearing or a trial, the Court shall immediately be notified and take the change of plea on the date of the pretrial conference and then schedule the dispositional hearing, if requested, to a later date. If the action involves contested issues which result in a consent order, the Court shall be immediately notified and shall direct one of the parties or counsel to prepare the consent judgment entry to be circulated and filed with the Court no later than ten (10) days following the pretrial conference.
 - (3) In the event there is no change of plea or a consent judgment entry, the following decisions shall be made at the pretrial conference and all counsel attending must have authority to enter into a binding pretrial order.
 - a. A definite discovery schedule shall be agreed upon by all parties for the completion of all discovery.
 - b. A definite date for exchange of expert witness reports shall be determined.
 - c. A definite date for filing of all motions, which date shall not be later than seven (7) days before the final pretrial.
 - d. The date for a final pretrial, if necessary, shall be set by the Court and shall be held approximately one (1) week prior to trial.
 - (4) The following decisions shall be made at the final pretrial and all counsel attending must have full authority to enter into a binding final pretrial order.
 - a. The Court will rule on all pretrial motions.
 - b. Briefs on any legal issues shall be submitted.

- c. Proposed jury instructions (if applicable) shall be submitted.
- d. Proposed jury interrogatories (if applicable) shall be submitted.
- e. Clients shall be present.
- f. No motion shall be heard after the final pretrial without leave of Court and without good cause being shown.
- g. The trial date shall not be changed nor shall the trial be continued without the order of the Court and after showing of good cause.

B. Traffic Actions:

(1) In all traffic actions where the defendant admits the offense as charged or is found guilty of the offense as charged, the matter shall immediately proceed to disposition unless the defendant requests a continuance for dispositional hearing.

(2) In all traffic actions where the defendant denies the charge in the complaint, the Court, at its discretion, may immediately assign said action for hearing or for pretrial conference. Any request for a pretrial conference shall be made in writing seven (7) days prior to the hearing date.

C. Parentage Actions:

(1) At the initial pretrial conference, if the parties have not consented to genetic testing, the Court will automatically order genetic testing.

(2) In the event that the parties have requested an administrative determination of parentage from the Child Support Enforcement Agency and the parties sign a IV-D application, the State shall pay for the genetic testing. If a parentage complaint is filed in Court and the CSEA is a party to the case, the Court may assess the costs of genetic testing to one or both parties. In the event that genetic testing has been completed and a party requests retesting, then the costs of the second genetic test shall be assessed to the requested party.

(3) After the results of the genetic tests are known and if the results do not exclude the defendant as the father of the child, the plaintiff shall immediately notify the Court that a second pretrial conference is necessary and the Court shall set the pretrial at its earliest convenience.

(4) In the event that the results of the genetic tests exclude the defendant as the father, the plaintiff shall immediately notify the Court of the results of the genetic tests and the Court will dismiss the complaint unless the complaint is amended within thirty (30) days after the results of the genetic tests are known to the plaintiff.

33 Jury Management Plan

The Shelby County Juvenile Court adopts the current jury management plan of the Shelby County Common Pleas Court, General Division, and incorporates said plan herein by reference as if fully rewritten.

34 Exceptions to the Rules

Upon application, and for good cause shown, the Juvenile Court may grant exceptions to these rules.

Rel. Plain Dealer Publishing Co. v. Floyd* (2006), 111 Ohio St.3d 56).
