In cases of multiple parties, the Clerk may require the party requesting service to advance an amount estimated by the Clerk to be sufficient to cover the cost thereof.

The Clerk may require a deposit for costs in any proceedings at filing and not specifically covered in the foregoing paragraphs.

At such time as an Order of Sale is approved by the Court on foreclosure, or when precipe is filed for execution on real estate, the Clerk shall estimate all costs taxable through the Clerk's office, such as appraiser's fees, sheriff's fees and poundage, etc. A deposit from the party or parties initiating the action for the sale of the real estate shall be paid before further proceedings shall take place.

In lieu of cash deposit, costs may be secured by bond with surety approved by the Clerk.

If it is brought to the attention of the Court by the Clerk of this Court, or by any party to the proceeding, that any deposit is insufficient, the Court may require said deposit to be increased from time to time.

Where the Plaintiff makes an affidavit of inability to pay or secure costs as provided by 2323.31 O.R.C., the Clerk of Courts shall receive and file such complaint without such deposit or security, provided however, the Clerk shall not accept for filing any affidavit of a party's inability to

make the required deposit for costs, unless and until the Court has indicated approval thereon. Said affidavits are subject to Court review at any stage of the proceeding.

To secure such approval, the attorney for the party desiring to file the affidavit shall certify that no monies have been paid to him by the party, and that to his best knowledge and belief, the party is unable to make the deposit.

The Clerk of this Court is granted the following powers in her discretion:

- a. If any deposit is insufficient, the Clerk may require the deposit to be increased.
- b. If the costs are not paid at the termination of litigation, any deposit for costs may be applied by the Clerk to the unpaid costs due.
- c. In order to effectively collect costs, fines, restitutions or other monies due, to (a) apply any deposits, bonds or other monies in the possession of the Clerk; (b) to issue executions for the recovery of said monies; (c) to file Certificates of Judgment with this or any other Court, and (d) effect collection of such monies due by any other legal means.
- d. The Clerk may make periodic or partial distribution of monies deposited for the purpose of fines and restitutions.
- e. To refuse to file any paper or pleading not in complete conformity with these rules.
- f. To refuse any check tendered for any payment unless certified.

No one other than Common Pleas Court personnel may remove a file from the Clerk of Court's office without approval of the Court.

The following number of any pleading shall be filed with the Clerk upon filing of the original pleading: in civil cases, three copies; in criminal cases, five copies.

RULE 4

Facsimile Filings

The provisions of this local rule are adopted under Civ.R. 5(E). This rule applies to civil, criminal and domestic relations proceedings in the Shelby County Common Pleas Court.

Pleadings and other papers may be filed with the Clerk of Courts by facsimile transmission to 937/498-4840 subject to the following conditions:

A document filed by fax shall be accepted as the effective original filing. The person making a fax filing need not file any source document with the Clerk of Court but must, however, maintain in his or her records and have available for production on request by the court the source document filed by fax, with original signatures as otherwise required under the applicable rules, together with

the source copy of the facsimile cover sheet used for the subject filing.

The source document filed by fax shall be maintained by the person making the filing until the case is closed and all opportunities for post judgment relief are exhausted.

The person filing a document by fax shall also provide therewith a cover page containing the following information:

1. The name of the court;
2. The title of the case;
3. The case number;
4. The assigned judge;
5. The title of the document being filed (e.g. Defendant Jones' Answer to Amended Complaint; Plaintiff Smith's Response to Defendant's Motion to Dismiss);
6. The date of transmission;
7. The transmitting fax number;
8. An indication of the number of pages included in the transmission, including the cover page;
9. If a judge or case number has not been assigned, state that fact on the cover page;
10. The name, address, telephone number, fax number, Supreme Court registration number, if applicable, and e-mail address of the person filing the fax document if available; and
11. If applicable, a statement explaining how costs are being submitted.

If a document is sent by fax to the Clerk of Courts without the cover page information listed above, the Clerk may, at its discretion:

1. Enter the document in the case docket and file the document; or
2. Deposit the document in a file of failed faxed documents with a notation of the reason for the failure; in this instance, the document **shall not** be considered filed with the Clerk of Courts.

The Clerk of Courts is not required to send any form of notice to the sending party of a failed fax filing. However, if practicable, the Clerk of Courts **may** inform the sending party of a failed fax filing.

A party who wishes to file a signed source document by fax shall either fax a copy of the signed source document or fax a copy of the document without the signature but with the notation "/s/" followed by the name of the signing person where the signature appears in the signed source document.

A party who files a signed document by fax represents that the physically signed source document is in his/her possession or control.

Each exhibit to a facsimile produced document that cannot be accurately transmitted via facsimile transmission for any reason must be replaced by an insert page describing the exhibit and why it is missing. Unless the court otherwise orders, the missing exhibit shall be filed with the court, as a separate document, not later than five (5) court days following the filing of the facsimile document. Failure to file the missing exhibits as required by this paragraph may result in the court striking the document and/or exhibit.

Any exhibit filed in this manner shall be attached to a cover sheet containing the caption of the case which sets forth the title of the case, the case number, and the title of the exhibit being filed and shall be signed and served in conformance with the rules governing the signing and service of pleadings in this court.

Subject to the provisions of these rules, all documents sent by fax and accepted by the Clerk shall be considered filed with the Clerk of Courts as of the date and time the Clerk time-stamps the document received, as opposed to the date and time of the fax transmission. The office of the Clerk of Courts will be deemed open to receive facsimile transmission of documents on the same days and at the same time the court is regularly open for business.

Fax filings may NOT be sent directly to the court for filing but may only be transmitted directly through the facsimile equipment operated by the Clerk of Courts.

The Clerk of Court may, but need not, acknowledge receipt of a facsimile transmission.

The risks of transmitting a document by fax to the Clerk of Courts shall be borne entirely by the sending party. Anyone using facsimile filing is urged to verify receipt of such filing by the Clerk of Courts through whatever technological means are available.

No document filed by facsimile that requires a filing fee shall be accepted by the Clerk for filing until court costs and fees have been paid. The Clerk of Courts shall be contacted prior to faxing when a filing fee is due, in order to make arrangements for the payment of filing fees.

Facsimile filings shall not exceed 20 pages in length. The filer shall not transmit service copies by facsimile.

RULE 5

Copying Files

The Clerk shall upon request of the party or his attorney, furnish copies of pleadings (except bills of exceptions or transcripts of evidence) belonging to the files of the Court at a cost of 10 cents per page.

The Clerk shall permit any party to the action or his attorney or agent to make copies of any papers in the files of the Court (except depositions and bills of exceptions) the same to be made at

the expense of the party requesting the same in accordance with the foregoing rule, or at the expense of such party or his attorney or agent at available county copying facilities.

RULE 6

Service

A. In General: In all civil filings, the plaintiff shall initially choose one method of service as provided for in Civil Rule 4.1, and may not request service by an alternate method until there is a return showing failure of service.

B. By Publication: Counsel for a party desiring service by publication shall submit to the Clerk of Courts the proposed legal notice for approval. After approval, the Clerk will cause publication pursuant to Civil Rule 4.4 by returning said notice to the party for transmittal to a paper of general circulation. The requesting party shall be responsible for publication costs.

RULE 7

Trial Counsel and Co-Counsel Participation

In all actions filed in this Court all parties not appearing in propria personae shall be represented of record by a trial counsel who is entitled by the Supreme Court of Ohio to practice before this Court. When two (2) or more attorneys join in a single pleading only one (1) trial counsel shall be designated. Thereafter until such designation is changed by order of the Court, upon written motion, all papers filed on behalf of one (1) or more parties represented by counsel shall be signed by one (1) attorney in his individual name as the trial counsel, followed by the designation "Trial Counsel", together with his or her typed name, office address, telephone number, fax number and business e-mail address. Firm names and the names of co-counsel may appear on the pleadings for information only.

Trial counsel shall be responsible for the action and shall attend all hearings, conferences, pretrials and the trial. All notices and communications from the Court, and all documents required to be served on parties by law will be sent to trial counsel. He or she shall be responsible for notifying the parties, co-counsel and associate counsel of all matters affecting the action.

Any member in good standing of the Bar of the United States District Court or the highest Court of any state may be permitted to appear and participate as co-counsel or associate counsel, upon Motion of the trial counsel for any party. Such permission may be withdrawn at any time. Said Motion is not required for the purpose of having Counsel's name appear on the pleadings.

RULE 8

Bail or Surety

No attorney of law or other officer of this Court shall be accepted or received as bail or surety on any undertaking of any kind in this Court, nor shall any bond or undertaking be approved having the name of any such person thereon as surety.

RULE 9

Pleadings, Motions, Captions - General Form

- A) To facilitate scanning for electronic recording, the original of all pleadings and other documents shall be submitted to the clerk unbound other than by a paper clip or other easily removable clipping device. Copies to be file stamped and returned should be bound by staple.
- B) All pleadings, motions, and other documents shall be single sided, legibly typewritten or printed on letter size (8-1/2" by 11") paper, with each sheet containing only one page of text.
- C) The caption at the top thereof, in addition to stating the name of the Court, the county and state, shall state the name and address of all parties. A blank space of at least 3" shall be left at the top of the right side of the first page for endorsement thereon by the Clerk. Pleadings subsequent to the Complaint, including motions or applications, shall state the number of the cause, the name of the first party Plaintiff and first party Defendant on each side.
- D) Any pleadings or other paper filed shall state in the caption the nature of the Complaint, pleading or paper, such as "Complaint for Personal Injury," "Answer to Amended Complaint," etc.
- E) At least one attorney of record, whether the case is civil or criminal, shall sign all pleadings. All pleadings, whether civil or criminal, shall contain a signature block for the attorney which shall include typewritten or printed the attorney's name, bar registration number, telephone number, telefax number, and e-mail address. If a party is pro se, the party shall comply with this rule as applicable.

RULE 10

Jury Demand

A party or counsel demanding a jury shall endorse the demand on the pleading and make it a part of the caption.

The Clerk is authorized to reject for filing any pleading not in conformity with this rule.

Any party demanding trial by jury, in a civil case, shall deposit the sum of \$500 as an advance deposit to secure the costs of said jury. Said deposit shall be delivered to the Clerk at least 30 days prior to the trial. Further, failure to deliver and make such deposit within said time shall constitute a waiver of trial by jury.

RULE 11

Service of Copies and Notices

All certified mail shall be marked that delivery is restricted to addressee if title to real estate is involved in the proceeding.

RULE 12

Ex Parte Communications with the Court

Copies of all correspondence addressed to the Court by any party or counsel shall be mailed or furnished to other counsel or parties in the case, and the correspondence to the Court should disclose to whom it was furnished. The Court will disregard correspondence not in compliance with this rule.

RULE 13

Continuances

A continuance may be granted only upon full compliance with Rule 41 of The Rules of Superintendence for the Courts of Ohio. If the request is granted, the applicant shall prepare a Judgment Entry which shall contain the reason for the continuance, the name of the attorney who made the request and the new date certain to which the matter has been continued, which date shall be first obtained from the Assignment Commissioner. The applicant shall there upon notify the opposing counsel by sending a copy of such Entry with proof of service noted thereon, immediately after filing. All continuances are discouraged. Counsel who plan to be away on vacation or otherwise, should notify the Assignment Commissioner well in advance of their anticipated absence. After a trial schedule is established, counsel who has a conflict with a scheduled trial date should immediately file a Motion for Continuance so that the case may be rescheduled and a replacement case inserted in its stead. All Motions for Continuance due to a scheduling conflict must be accompanied by a file-stamped copy of the scheduling notice creating the conflict.

RULE 14

Rule Day

A party who desires to plead after rule date shall apply in writing to the Court before rule date expires. Failure to comply will be at the risk of Default Judgment being granted pursuant to Rule 55 of the Civil Rules.

In all cases where the time for filing of a pleading or an amended pleading is not fixed by law or another Rule, the pleading or amendment shall be filed on or before the tenth day after the file date of the Entry requiring or granting leave for the filing of such pleading or amended pleading. Unless otherwise specified in the Entry.

RULE 15

Hearing and Submission of Motions

Motions to be ruled upon by the Court shall be in writing, accompanied by a Memorandum. If applicable, said Memorandum shall include citations supporting Movant's position. Within fourteen (14) days after filing of such Motion, each party opposing the Motion shall serve and file a like Answer Memorandum. The moving party may file a Reply Memorandum within seven (7) days after the filing of such Answer Memorandum. Upon expiration of the time of filing Memorandum, the matter shall be deemed submitted unless otherwise ordered by the Court. Failure to file a Memorandum at the time required is a waiver and consent to submit the issue or case to the Court forthwith for decision.

This rule shall apply to Motions to Dismiss filed pursuant to Civil Rule 12, but shall not apply to Motions for Summary Judgment filed pursuant to Civil Rule 56, or to any Criminal Motions. In the event a Motion to Dismiss is filed pursuant to Civil Rule 12, and the Court determines that it is in the nature of a Motion for Summary Judgment, notice of this fact will be given by the Court to the parties, and 20 days will be given opposing counsel to reply to the Motion.

All Motions shall be submitted without oral argument on the memoranda filed with the Clerk unless otherwise ordered by the Court. Upon filing of any Motion which requires oral hearing pursuant to the Ohio Rules of Civil or Criminal Procedure or any provisions of the law, the Movant shall, upon filing said Motion, obtain a date for such hearing and prepare the process or notice for signature by the Assignment Commissioner.

This Court may, for good cause shown, provide for an early disposition of any Motion with or without the filing of memoranda by the parties. Further, to expedite the business of the Court, the Court may decide any Motion upon filing without notice to the parties when the motion addresses procedural matters only, is a request for an extension of time, or for a correction pursuant to Civil Rule 60(A), if supported by a showing of good cause made orally or in writing to the Court. In the event the opposing parties are in any way prejudiced by the granting of such ex-parte relief, the Court will afford them, upon their request, an immediate oral hearing which shall be granted priority on the

calendar of the Court.

Motions for Summary Judgment shall be in accordance with Civil Rule 56. Unless otherwise ordered by the Court, such Motions shall be heard on briefs and other materials authorized by Civil Rule 56(C) without oral argument. The opposing party shall file any desired response within 20 days after the filing of the Motion with the Clerk. The moving party may file a Reply Memorandum to the opposing party's Response within seven (7) days after the Response is filed with the Court.

If an adverse party also files a Motion for Summary Judgment, the opposing party shall file their response within 20 days.

RULE 16

Case Management Plan

The purpose of this rule is to establish, pursuant to Rule 5 of the Rules of Superintendence, for the Courts of Common Pleas, a system for civil management which will achieve the prompt and fair disposition of cases, provide the Court with an efficient means of controlling the flow of cases, and save time by providing members of the Bar with information and case management facilities.

Administrative Appeal

Service of summons, in accordance with Rule 4.1 to 4.6 of the Ohio Rules of Civil Procedure, shall be checked by the Court staff 45 days after the action is filed. If service has not been obtained, the Court staff will check every 14 days for service. If service is obtained, the following briefing schedule shall be automatically ordered:

Appellant's Assignment of Errors Brief due 40 days after the filing of the transcript;

Appellee's Answer Brief due 30 days after service of Appellant's Brief;

Appellant may file a Reply Brief due 14 days after service of Appellee's answer Brief. Thereafter, the matter is considered submitted on the Briefs without oral hearing, unless otherwise specifically requested and ordered by the Court.

Civil

Service of summons, in accordance with Rule 4.1 to 4.6 of the Ohio Rules of Civil Procedure, shall be checked by the Court staff 45 days after the action is filed. If service has not been obtained, the Court staff will check every 14 days for service. If service of summons is complete, the case shall be docketed forward 28 days from the date of service when the following shall take place:

If all party defendants have filed an Answer, the assignment commissioner shall assign the matter for a scheduling conference.

If no Answer has been filed, then the assignment commissioner shall send counsel for Plaintiff notice to either proceed with default judgment or dismiss the action. If neither action has been taken after 14 days, then an entry dismissing the action shall be submitted to the Judge for approval and filing.

A. Scheduling Conference

Scheduling conferences may be held in chambers or by telephone conference as the Court may direct. At the scheduling conference, trial counsel shall be prepared to discuss the following:

- a. Nature of proceedings;
- b. Peculiar issues involved;
- c. Analysis of the issues;
- d. Scope and time needed for discovery, including cutoff date: there shall be no distinction between discovery depositions and trial depositions;
- e. Exchange demonstrative evidence and exhibits;
- f. Determine whether a pretrial conference and/or pretrial statement will be required;
- g. Determine witness list exchange date;
- h. A possible settlement;
- i. Estimate of trial time;
- j. Firm trial date.

As a result of the scheduling conference, the following scheduled dates will be set and forwarded to the parties in a scheduling conference order:

- a. Cutoff date for discovery;
- b. Cutoff date for filing pretrial motions;
- c. Final pretrial date;
- d. Final trial date or back-up trial date. Counsel shall be prepared to go forward with trial.
- e. Any other dates the Court deems appropriate.

At the scheduling conference, the Court shall have the authority to decide any undetermined preliminary matter; to record any admissions, stipulations or agreements; to hear and decide the case with the consent of the parties; to make whatever findings, orders, judgment, or decrees which may be warranted or proper under the circumstances.

The parties are not required to appear at scheduling conferences unless specifically ordered by the Court.

B. Pretrial

All civil cases shall be assigned for pretrial conference unless specifically omitted by Court Order.

(i) Pretrial Statement

Pretrial statements by all parties shall be filed with the Judge's assignment commissioner (not the Clerk of Courts) at least five days before the date of pretrial. The pretrial statement may be e-mailed to the assignment commissioner at dwinchester@shelbycountycourts.com, and a copy forwarded to opposing counsel. The pretrial statement shall include the following:

- a. Statement of the facts giving rise to the claim of defense, and/or counterclaim.
- b. Comprehensive statement of the issues involved.
- c. Propositions of law or positions supported by law with at least two or three authorities cited.
- d. List of witnesses with addresses who will be appearing on behalf of the party, including a short statement of testimony of witnesses. Witness lists shall be furnished to the court reporter.
- e. List of all demonstrative evidence or exhibits which will be offered on date of trial.
- f. Proposed jury instructions.
- g. Demand or offer for settlement.
- h. Estimate of trial time.

(ii) Pretrial Procedure

Trial counsel shall appear at each pretrial conference. Parties need not appear unless ordered by the Court. Counsel shall have complete authority to stipulate on items of evidence, admissions, and must have full settlement authority. If the parties to the proceeding are unwilling or unable to grant such complete authority to counsel, it is absolutely necessary that the parties to the proceeding shall be in attendance at the pretrial conference. In the event settlement authority rests with an insurance company, a representative of the company with full authority to settle shall attend the pretrial.

At the pretrial conference, the attorney shall be prepared to:

- a. Freely discuss the theory or theories of their case, both factual and legal.
- b. Discuss simplification of the issues.
- c. Make admissions as to the facts and genuineness of documents and other exhibits which are not in dispute.
- d. Eliminate parties unnecessary to the case.
- e. Submit and consider authorities on unique or controversial issues, or guarantee their submission at least one week prior to trial.
- f. Discuss any other matters that may expedite the trial or disposition of the case.
- g. File requests for admission, interrogatories and depositions, and all other discovery material.

The statements of counsel made in the course of any pretrial conference shall not be binding on the parties unless expressly made so by written stipulation in the course of the pretrial conference.

Failure of any party to be prepared for pretrial conference, or failure of a party or attorney to appear, or to cooperate in good faith in the conduct of the pretrial conference, shall subject said

attorney or party, in the discretion of the Judge, to any sanctions provided by Rule 37 of the Ohio Rules of Civil Procedure, including an award of expenses and/or attorney fees to any party prejudiced by said failure. In addition, the Court shall have the authority to proceed with all or any portion of the case and to decide and determine any or all matters ex-parte upon failure of the Plaintiff or Defendant to appear in person or by counsel at the pretrial conference. In addition, the Court may exclude exhibits if not produced at pretrial, or exclude testimony of witnesses who have not been identified to opposing counsel on witness lists at pretrial.

C. Trial

The trial will commence at 9 a.m. on the day of trial. Counsel shall report to the Judge's Chambers at 8:30 a.m. on the first day of trial. Continuances of the trial date may be granted by the Court only under special circumstances.

Criminal

The purpose of this rule is to establish, pursuant to Rule 5 of the Rules of Superintendence, for the Courts of Common Pleas, a system for criminal management which will achieve the prompt and fair disposition of cases, provide the Court with an efficient means of controlling the flow of cases, and save time by providing members of the Bar with information and case management facilities.

The scheduling of events begins when an indictment is filed:

Arraignments will be held within two weeks of the filing of the indictment. At the arraignment, the Defendant will be advised of his rights, plea accepted and bond set. The prosecutor shall provide discovery to the Defendant or Defendant's attorney.

A first pretrial conference will be scheduled approximately two to three weeks after arraignment.

A status conference will be scheduled approximately two weeks after the pretrial conference. At the status conference, the prosecutor and defense counsel are to discuss the possibility of a resolution of the case without trial. Without leave of Court, the status conference is the last date for the parties to negotiate and the State is to make its final plea offer. At the status conference, the prosecutor and defense counsel are to discuss with the Court the status of the case, the negotiations, anticipated witnesses and evidence to be presented. Crim. R. 16 governs discovery. However, subject to Rule 16 and as much as practicable, the State and the defense are to complete the exchange of all discovery by the date of the status conference.

A final pretrial will be scheduled approximately two weeks after the status conference. At the final pretrial the following matters will be discussed:

- a. Summary of each witness' expected testimony; review of each party's exhibits and length of trial and jury instructions. If either party deems special jury instructions are warranted, the same shall be submitted to the Judge at the final pretrial.

- b. The Defendant may plead on the final pretrial date to any negotiated charge with permission of the Court. Without leave of Court, after the date of the final pretrial, the Court will not accept any plea other than a plea as charged.

A trial date will be scheduled approximately two weeks after the final pretrial. The trial will commence at 9 a.m. on the day of trial. Counsel shall report to the Judge's Chambers at 8:30 a.m. on the first day of trial. Continuances of the trial date may be granted by the Court only under special circumstances.

If at any time the Defendant pleads guilty, at the discretion of the Court, a pre-sentence investigation will be ordered and sentencing scheduled, or sentencing may be imposed immediately.

RULE 17

Discovery

Unless circumstances clearly dictate otherwise, counsel shall participate in informal pretrial discovery conferences to reduce, in every way possible, the filing of discovery demands and procedures; to that end, it is suggested that no Interrogatories, Requests, Motions or Applications or Protective Orders shall be filed under Civil Rule 26-37, inclusive, until counsel have diligently explored such objectives with opposing counsel in an effort to informally handle all discovery matters and to reduce or clarify the issues in controversy to facilitate their presentation at trial.

At such time as discovery cannot be completed informally, the party seeking discovery shall advise the Court in writing and file such Interrogatories, Requests, Motions, Applications or Protective Order requests as may be necessary or advisable to counsel for protecting the interests of their client. Such statements shall recite efforts made to resolve differences informally. In addition, such statements shall recite those matters that remain in dispute, and in addition, the date, time and place of such conference, and names of all parties participating therein.

Discovery demands, replies, interrogatories, depositions and other discovery material shall not be filed with the Clerk until needed for trial.

All discovery shall be completed by date of Pretrial, or at such other time as may be set by the Court. Unless authorized by the Court, any discovery after said date may not be offered at trial.

RULE 34

Recording of Court Proceedings

For purposes of these rules the term "proceeding" shall be understood to apply to any public hearing held by the Court and term "record" shall be understood to encompass broadcast, televise, record or photograph.

This rule shall be applied in conjunction with Canon 3(A)(7) of the Ohio Code of Judicial Conduct and Rule 11 of the Ohio Rules of Superintendence for the Courts of Common Pleas.

The Court shall grant requests to record proceedings that are made in accordance with this rule. All requests to record proceedings shall be made in writing to the Judge; be on the appropriate form (Appendix 1) submitted through the bailiff; and as far in advance as is reasonably possible but in no event later than twenty-four hours prior to the courtroom session to be recorded. Upon a

showing of good cause, the Judge may waive the advance notice provision. Media and recording equipment must be in the courtroom at least 30 minutes prior to the proceedings.

In the event the Judge decides to approve the request, the Judge shall sign the media request setting forth the conditions of recording. This request shall be made part of the record of the case.

No recording equipment shall be allowed in the Court and no recording of proceedings shall be allowed in the absence of a written request and authorization. In the event of a continuance of the court proceedings requested to be broadcasted, televised, recorded or photographed for a period of more than 30 days, a new media request shall be required.

No recording shall be made of proceedings in the Judge's chambers or court offices without the express permission of the Judge; in jury deliberation rooms at any time during the course of the trial or after the case has been submitted to the jury; of victims or witnesses who object to being recorded; or of jurors. Permission granted for recording shall not be interpreted to diminish the requirement that jurors are forbidden to discuss the case with any person until after the trial; and the ethical requirements that restrict judges and lawyers from releasing information pertaining to a case while the case is pending.

The Judge, counsel, and witnesses shall not address any remark to or via the media when the court is in session. In all respects, the trial shall proceed in exactly the same manner as though there were no media recording in progress.

Any equipment which is nonportable shall be set up and ready for operation prior to the commencement of morning or afternoon court sessions. No person shall be permitted to bring equipment into the Courtroom while trial is in session.

Only one (1) still photographer and one (1) television camera may record court sessions. The first request received by the Bailiff will be allowed to record proceedings in the Courtroom. This rule is subject to the discretion of the Judge. "Pooling" of equipment shall be required in all proceedings where multiple media requests are received. It is the responsibility of those requesting permission to record the proceedings to arrange for "pooling" of equipment.

No interviews will be recorded in the Jury Room, Courtroom or administrative offices of the Court before or after any court sessions. The media may record interviews in the waiting area of the third floor outside the Courtroom only if they pose no security risk and do not disrupt or interfere with the operations of the Court.

No media recording shall be made of any document or exhibit before or after such document or exhibit is admitted into evidence, except those which are clearly visible to spectators, e.g., maps, charts, blackboards, etc.

All media representatives shall be properly attired. Proper courtroom decorum shall be maintained by all media representatives.

Upon the failure of any person to comply with the conditions presented by the Judge and these rules, the Judge may revoke the authorization to record the proceedings.

If a recording of any proceeding is conducted without completing a request and obtaining an authorization or if the media disrupts the proceedings, the Bailiff or any authorized deputy sheriff may impound the recording equipment and the court may hold the equipment subject to future action. Upon such impoundment, the court shall schedule an appropriate hearing at the earliest possible time. This provision does not apply to employees of the court in reference to the use of official recording devices nor to recording devices used pursuant to the Ohio Rules of Superintendence for the Courts of Common Pleas.

2313.16 Juror may be excused; ruling on request to be excused; undue or extreme physical or financial hardship; documentation

(A) Except as provided by section 2313.13 of the Revised Code, the court of common pleas shall not excuse a person who is liable to serve as a juror and who is drawn and notified, unless it is shown to the satisfaction of the judge by either the juror or another person acquainted with the facts that one or more of the following applied:

- (1) The interest of the public will be materially injured by the juror's attendance.
- (2) The juror's spouse or a near relative of the juror or the juror's spouse has recently died or is dangerously ill.
- (3) The juror is a cloistered member of a religious organization.
- (4) The prospective juror has a mental or physical condition that causes the prospective juror to be incapable of performing jury service. The prospective juror, or the prospective juror's personal representative, must provide the court with documentation from a physician licensed to practice medicine verifying that a mental or physical condition renders the prospective juror unfit for jury service for a period of up to twenty-four months.
- (5) Jury service would otherwise cause undue or extreme physical or financial hardship to the prospective juror or a person under the care or supervision of the prospective juror. A judge of the court for which the prospective juror was called to jury service shall make undue or extreme physical or financial hardship determinations. The judge may delegate the authority to make these determinations to an appropriate court employee appointed by the court.
- (6) The juror is over seventy-five years of age, and the juror requests to be excused.
- (7) The prospective juror is an active member of a recognized amish sect and requests to be excused because of the prospective juror's sincere belief that as a result of that membership the prospective juror cannot pass judgment in a judicial matter.

(B)(1) A prospective juror who requests to be excused from jury service under this section shall take all actions necessary to obtain a ruling on that request by not later than the date on which the prospective juror is scheduled to appear for jury duty.

(2) A prospective juror who requests to be excused as provided in division (A)(6) of this section shall inform the appropriate court employee appointed by the court of the prospective juror's request to be so excused by not later than the date on which the prospective juror is scheduled to appear for jury duty. The prospective juror shall inform that court employee of the request to be so excused by appearing in person before the employee or contacting the employee by telephone, in writing, or by electronic mail.

(C)(1) For purposes of this section, undue or extreme physical or financial hardship is limited to circumstances in which any of the following apply:

- (a) The prospective juror would be required to abandon a person under the prospective juror's personal care or supervision due to the impossibility of obtaining an appropriate substitute caregiver during the period of participation in the jury pool or on the jury.
- (b) The prospective juror would incur costs that would have a substantial adverse impact on the payment of the prospective juror's necessary daily living expenses or on those for whom the prospective juror provides the principal means of support.
- (c) The prospective juror would suffer physical hardship that would result in illness or disease.

(2) Undue or extreme physical or financial hardship does not exist solely based on the fact that a prospective juror will be required to be absent from the prospective juror's place of employment.

(D) A prospective juror who asks a judge to grant an excuse based on undue or extreme physical or financial hardship shall provide the judge with documentation that the judge finds to clearly support the request to be excused. If a prospective juror fails to provide satisfactory documentation, the court may deny the request to be excused.

(E) When a prospective juror who is liable to serve is excused in a case specified in this section, the prospective juror can be excused only by the judge presiding in the case or a representative of the judge. An excuse, including whether or not it is a permanent excuse, approved pursuant to this section shall not extend beyond that term. Every approved excuse shall be recorded and filed with the commissioners of jurors. After twenty-four months, a person excused from jury service shall become eligible once again for qualification as a juror unless the person was excused from service permanently. A person is excused from jury service permanently only when the deciding judge determines that the underlying grounds for being excused are of a permanent nature.

6. Upon receipt of a Notice of Petitioner and the required deposit, the Clerk of Courts shall assign the Petition a miscellaneous civil case number and assign the matter to a trial judge.

11. The Judge or Magistrate may order any report, investigation or disclosure by the Petitioner that it believes is necessary to reach a decision (see Order for Investigation (Form F) and Order for Additional Information (Form G)).

12. Once all information requested has been received, a Judge shall decide whether to Grant (Form H) or Deny (Form I) the Petition within sixty days, unless Petitioner requests and is granted an extension of time. The decision to grant or deny a Petition may be referred to a Magistrate, and then sent to the Judge for a final Judgment Entry and Order. All notice and objection periods regarding a magistrate's decision would apply as set forth in the civil rules.

13. The Clerk shall provide a written notice to the Petitioner of the Court's Decision and Judgment Entry. If denied, the notice shall include conditions, if any, placed on subsequent filings and language that a final appealable order has been filed.
