

# **RAIN BARRELS ON SALE NOW!**

**\$45.00** for 55 gallon barrel  
+ DIY converter kit  
OR  
**\$35.00** for just the DIY  
converter kit

## **Benefits of having a rain barrel:**

Rain barrels collect and store rainwater from rooftops, thereby reducing runoff and flooding during storms. The fresh water in the barrel can be used to water landscaping and gardens. Using this recycled water saves money on water and electricity bills!

Cash or check accepted at Shelby SWCD office: 822 Fair Rd. Sidney, OH

**Please call or email ahead so we can have it ready for you:**
