MORE INFO

Housing discrimination based on any form of religion isn't just unfair - it's against the law. If you feel that you've been denied the sale, rental or financing of a home because of religion, race, color, national origin, sex, familial status or disability, report it to HUD or your local fair housing center.

Here are some possible signs of housing discrimination:

- "I'll show you neighborhoods with mosques."
- "We only take people who speak English clearly."
- "You might be more comfortable living elsewhere."
