As a result of the Primary Election suspension of March 17, 2020, the Shelby County Board of Elections has adopted the following interim operating procedures:

1. Board of Elections Office will be staffed during normal hours Monday through Friday, 8:30 a.m. – 4:00 p.m. However, facilities will not be open to the public. Staff may be reached via phone (937) 498-7207 or email: shelby@ohiosos.gov.
2. If you have voted early or via absentee ballot prior to 2:00 p.m. on March 16, 2020, your vote has been processed and are secure. You do not need to take any further action for this election.
3. If you have not yet voted, you may request an absentee ballot application through the phone number or email address in #1. above. Absentee ballot applications are also available in a box at our front office door. Upon authorization from the Secretary of State's Office, we will mail you an absentee ballot for voting. You will then be able to return it to our offices via USPS mail.
4. Absentee ballot applications will also be available during normal office hours through an application storage box located just outside our front door.

Procedures may be subject to change based on future directions provided to us from the Secretary of State's Office. Any changes will be posted here and to our web site as they are received.

Thanks for your consideration and participation during these challenging times.
