7/15/2020

NOTICE OF INTENT TO FILE APPLICATION

The Shelby County Commissioners intend to file an application for federal financial assistance with the U. S. Department of Agriculture, Rural Development, Rural Utilities Service. The project includes improvements to the Shelby County Sewer District's Wastewater Treatment Facility at the Lake Loramie location. This location serves the Village of Kettlersville, Village of Fort Loramie, McCartyville, Newport and other areas established around Lake Loramie. This notice is published in accordance with Rural Development regulations contained in RUS Instructions 1780.19(a).

A copy of the application to USDA Rural Development is available for review at the following location by appointment:

Shelby County Sewer District
3475 Canal Road No.1,
Minster, OH 45865
419-628-3411

Any comments regarding this application should be submitted to the Shelby County Sewer District.
