

## COVID-19 Vaccine Update for Shelby County, Ohio

Shelby County continues to receive vaccines for the week of March 15.

Ohio's COVID-19 Vaccine Distribution Timeline:

- Beginning March 11: Phase 1D includes those with certain medical conditions not addressed in previous phases, including type 2 diabetes and end-stage renal disease.
- Phase 2B will open vaccinations for those ages 50 and older.

The providers for the vaccine this week are Sidney Shelby County Health Department, Wilson Health, Kroger, Walgreens, CVS pharmacies and Jackson Pharmacy & Wellness Center.

Wilson Health is now offering online self-scheduling for the COVID-19 vaccination. Check availability and schedule appointments through Wilson Health's website at <https://www.wilsonhealth.org/news/now-offering-online-scheduling-covid-19-vaccinations> or TEXT vax to 484848 from your mobile phone.
