To Whom It May Concern

The Shelby County Commissioners are gathering letters of interest from persons willing to serve on the Regional Committee Board for Region 15 under the One Ohio MOU Agreement so our region has input and equitable representation. The One Ohio MOU set forth procedures for how opioids settlement funds will be allocated to abate and alleviate the impacts of opioid abuse. Region 15 consists of Mercer, Allen, Auglaize, Darke, Shelby, Logan, Preble, Miami, and Champaign Counties. The Board will be responsible for evaluating and recommending projects for funding to the Statewide Foundation Board, and will appoint one member to the Statewide Foundation Board.

The Region 15 Board will consist of 27 members with 3 representatives from each county (1 county appointee, 1 municipal appointee, and 1 appointee from the townships). Each county will determine how best to make these appointments.

Please submit your interest or any questions to Commissioner Julie Ehemann: jehemann@shelbyco.net by Thursday, January 27, 2022.

Sincerely,

The Board of Shelby County Commissioners

Julie L. Ehemann
