SHELBY COUNTY SEWER DISTRICT  
MINSTER, OHIO  
LAKE LORAMIE WWTP IMPROVEMENTS

ADVERTISEMENT FOR BIDS

Sealed Bids for Lake Loramie WWTP Improvements will be received by the Board of County Commissioners, Shelby County Ohio, at the Commissioners' Office, Shelby County Annex, 129 East Court Street, Sidney, Ohio 45365 until 11:00 A.M., local time, on ~~March 10, 2022~~ March 17, 2022 (Addendum 3, Issued March 9, 2022), at which time they will be publicly opened and read.

In general, the work consists of abandonment of inlet structure including grinder, septic tank, septage handling station, and meter recorder shed, one of two Biolac cells, sludge holding pond, and associated pipework. Construction of headworks building and removal and installation of screen, new two ring oxidation ditch system, final clarifiers and splitter box, RAS pumps and scum pump structure, UV disinfection system including Parshall flume, outfall pipe with headwall modifications, chemical system for phosphorus removal, conversion of second Biolac cell to an aerobic digester to include addition of digested sludge pumps and supernatant decant system, repurposing of existing Lift Station, addition of sludge drying bed structure, construction of new maintenance building, sitewide electrical and controls upgrades, site water, paving and lighting. The project also includes a nominal 8-inch water line along Canal Road from State Route 66 to the WWTP.

The issuing office is Jones & Henry Engineers, Ltd., 3103 Executive Parkway, Suite 300; Toledo, Ohio 43606; 419-473-9611. Copies of the Bidding Documents may be examined at the Owner's office listed above or the issuing office, without charge.

Technical questions regarding the project should be e-mailed to the Project Manager, Peter A. Latta, at Jones & Henry Engineers, Ltd, no later than ~~March 4, 2022 (Addendum 1, Issued 3/2/22)~~ March 9, 2022 at 1 pm. (Addendum 3, Issued 3/9/22).

Copies of Bidding Documents and Contract Documents may be obtained electronically from [www.jhplanroom.com](http://www.jhplanroom.com). There is no charge to download from the digital print-room; however, registration is required. If hard copies of the bidding documents are needed, they can be ordered from the print-room for a fee. If you have any problems using the digital print-room, you are encouraged to contact either the Engineer's Project Manager, or Eastern Engineering at 419-661-9841.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated in these documents. Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.

Bids must be submitted on the forms bound herein, must contain the names of every person or company interested therein, and shall be accompanied by either a Bid Guaranty and Contract Bond in the amount of 100% of the amount bid with satisfactory corporate surety, or by a certified check on a

solvent bank in the amount of not less than 10% of the amount of the Bid, subject to conditions provided in the Instructions to Bidders. The successful bidder will be required to furnish satisfactory Performance Bond and Maintenance and Guarantee Bond in the amount of 100% of the Bid.

The Contractor shall be required to pay not less than the prevailing wage rates established by the Ohio Bureau of Employment Services, Wage and Hour Division.

Any Bid may be withdrawn prior to the scheduled closing time for receipt of Bids, but no bidder shall withdraw his Bid within 60 days after the actual opening thereof.

The Owner reserves the right to reject any or all Bids, waive irregularities in any Bid, and to accept any Bid which is deemed most favorable to the Owner.

Engineer's Estimate is \$13,331,000.00 .

A pre-bid conference will be held at 11:00 A.M. local time on February 17, 2022 at the Shelby County Sewer District, 3475 Canal Rd. #1, Minster, Ohio 45865. Attendance at the pre-bid conference is highly encouraged but is not mandatory.

**American Iron and Steel**

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

- De Minimis,
- Minor Components,
- Pig iron and direct reduced iron, and
- [add project specific waivers as applicable].

Owner: Board of County Commissioners, Shelby County, Ohio

Dated: January 27, 2022

To be advertised: 2/3/22 and 2/10/22
